In many school-medical medicines we can find one or more of these valuable nutrients, together with many chemical substances which cause normally many negative side effects. Mac-life-Plus natural serum contains all for the human body necessary 16 Nutrients plus 12 other Minerals and B12 Vitamin and is 100% organic, contains no parabens and has no negative side effects.

Available bottle sizes: A Mac-life-Plus natural serum bottle contains 200 ml as valuable dietary supplement **Contra indications and side effects:** No contra-indications are known.

How to use for Internal application as dietary supplement:

Mix max. 0,2 ml per 1 kg body weight ml as recommended quantity of Mac-life-Plus natural serum into a glass of mineral water, stir till dissolved and drink 1 glass per day ½ hour before your meal.

Duration of treatment: There are no limitations to the period of use of this serum-water-mix, we recommend to drink only 1 glas per day min. 30 min. before taking a meal

Storage & Expiration Date: Keep in dry and cool place, avoid storage in direct sunlight. Keep away from children.

Expiration period is 3 months after opening, please keep the bottle cool & tightly closed to avoid that the serum dries out.

Note: Mac-life-Plus natural serum after longer storage without usage will show in the bottle on top of the white serum a small layer of clear fluid (looks like water) – this is completely normal and after shaking well before usage, the serum will be evenly white again and ready to use.

Attention: Please avoid that Mac-life-Plus natural serum ® comes in (direct) contact with metal of any kind, an electro-magnetic pulse, an electrical power source or a magnetic field, as the vibrational frequency of these mono-atomic Nano-particles are very sensitive to a magnetic field; to prepare a serum-water mix for dietary supplement, please only use a plastic or wooden spoon to stirr. This product may not be used with children below 3 years old and for eye and mucous membrane applications
